

an unincorporated community having a post office of the same name, may serve all points in the United States not beyond the territorial limits, if any, fixed in such authority, as follows:

(1) All points within 3 miles of the post office in such unincorporated community if it has a population of less than 2,500; within 4 miles if it has a population of 2,500 but less than 25,000; and within 6 miles if it has a population of 25,000 or more;

(2) At all points in any municipality any part of which is within the limits described in paragraph (b)(1) of this section; and

(3) At all points in any municipality wholly surrounded, or so surrounded except for a water boundary, by any municipality included under the terms of paragraph (b)(2) of this section.

#### § 356.3 [Reserved]

#### § 356.5 Traversal authority.

(a) *Scope.* An irregular route motor carrier may operate between authorized service points over any reasonably direct or logical route unless expressly prohibited.

(b) *Requirements.* Before commencing operations, the carrier must, regarding each State traversed:

(1) Notify the State regulatory body in writing, attaching a copy of its operating rights;

(2) Designate a process agent; and

(3) Comply with 49 CFR 387.315.

#### § 356.7 Tacking.

Unless expressly prohibited, a motor common carrier of property holding separate authorities which have common service points may join, or *tack*, those authorities at the common point, or *gateway*, for the purpose of performing through service as follows:

(a) Regular route authorities may be tacked with one another;

(b) Regular route authority may be tacked with irregular route authority;

(c) Irregular route authorities may be tacked with one another if the authorities were granted pursuant to application filed on or before November 23, 1973, and the distance between the points at which service is provided, when measured through the gateway point, is 300 miles or less; and

(d) Irregular route authorities may be tacked with one another if the authorities involved contain a specific provision granting the right to tack.

#### § 356.9 Elimination of routing restrictions—regular route carriers.

(a) *Regular route authorities—construction.* All certificates that, either singly or in combination, authorize the transportation by a motor common carrier of property over:

(1) A single regular route or;

(2) Over two or more regular routes that can lawfully be tacked at a common service point, shall be construed as authorizing transportation between authorized service points over any available route.

(b) *Service at authorized points.* A common carrier departing from its authorized service routes under paragraph (a) of this section shall continue to serve points authorized to be served on or in connection with its authorized service routes.

(c) *Intermediate point service.* A common carrier conducting operations under paragraph (a) of this section may serve points on, and within one airline mile of, an alternative route it elects to use if all the following conditions are met:

(1) The carrier is authorized to serve all intermediate points (without regard to nominal restrictions) on the underlying service route;

(2) The alternative route involves the use of a superhighway (i.e., a limited access highway with split-level crossings);

(3) The alternative superhighway route, including highways connecting the superhighway portion of the route with the carrier's authorized service route,

(i) Extends in the same general direction as the carrier's authorized service route and

(ii) Is wholly within 25 airline miles of the carrier's authorized service route; and

(4) Service is provided in the same manner as, and subject to any restrictions that apply to, service over the authorized service route.
